

## Sharon McKee

Senior Career Coach

**"Inspiring and coaching people through career and life transitions to new hope and best outcomes."**

Twenty years of professional experience in corporate, educational and not-for-profit work settings serve as a background for Sharon's expertise in outplacement, organizational development and career management consulting. During her career she has consulted with 2500+ individuals in one-on-one and group settings on such topics as individual assessment, career transition, career management and executive coaching. She is a skilled group facilitator and exceptional individual consultant, experienced working with director level, managerial, professional, technical and non-exempt candidates in healthcare, telecommunications, manufacturing, insurance, pharmaceutical, energy, automotive and banking industries.

### Key Areas of Career Expertise & Accomplishments

Sharon is also recognized as a pioneer in virtual coaching utilizing webinars as an innovative way to provide high quality, cost efficient, online career services. As a member of Bravanti's elite webinar team of subject matter experts Sharon presents webinars that cover the full spectrum of the job search.

### Education & Credentials

She received a Bachelor's degree from Evangel University in Springfield, MO and has continued her education with specialized training in career transition, marriage and family counseling, and personality and learning-style instruments. She is qualified in the Myers-Briggs Type Indicator, the Strong Interest Inventory and the Hogan Career Profile. She is also certified in the Birkman Method<sup>®</sup>. Sharon is a member of the International Association of Career Management Professionals, and the Association for Psychological Type.
