Personal Power & The Confidence Gap

Women, Stop Hijacking Your Credibility and Impact!

From body posture to word choice, speaking cadence to how you accept (or deflect) compliments, there are many ways that women in the workforce can claim—or rob themselves of—personal power. With decades of expertise in supporting women leaders, Bravanti's Brenda Wensil shares how Confidence Markers and Power Robbers factor into women's success in the workplace, and how women can stop hijacking their own credibility and impact! Power Among Peers

A Unique Coaching Success Story

While many group coaching experiences involve participants of the same backgrounds and seniorities, there is immense value in bringing together participants with diverse qualifications. Learn how an accomplished physician, a highly skilled data analyst, and a long-tenured labor specialist came together in a high-potential peer-coaching pod that ultimately delivered \$3.8M+ in ROI for their global management consulting firm.
