

VOLUME BOOK OFFERS

We are excited to share with you our new book, *I Wish I'd Known This: 6 Career-Accelerating Secrets for Women Leaders*. Authors and executive coaches Brenda Wensil and Kathryn Heath, Ph.D., managing directors at Bravanti, uncover six patterns that can derail women's career paths – challenges they continuously hear in their work. They wrote this book to offer strategies to effectively overcome these challenges for an impactful, long-lasting career.

In celebration of our book launch, we've created these volume purchase opportunities, ranging from micro-volume purchases for individuals to larger-volume purchase opportunities for businesses, non-profit associations, universities, or any organization that might benefit from our book's powerful message.
