

Talent Insights - May 2023

The latest on high-impact, high-quality coaching, leadership acceleration, and outplacement and internal mobility

A Message from our President and CEO

Greetings!

In this month's issue, we're excited to share how we've been serving our spectacular clients in new ways, innovating alongside them to meet their needs and reach business goals.

We're thrilled to spread the word about our internal mobility offering, which has been successful in unlocking the potential within clients' talent pools in this emerging new space. Among other news, our recent case study from an impactful global team optimization project demonstrates the power of aligning your teams and how it can impact performance, taking it to new heights.

Don't miss out on our 15 must-read books for women leaders, too, as it provides a quick look at some favorite resources from the Bravanti team. We hope the list will inspire you to learn something new and do great things. Enjoy!

Igniting Bold Futures,

Susan Gallagher

Executive Coaching
For leaders and teams

Establishing Alignment Across the Globe Through Team Optimization

New Case Study

Accelerated growth can present a unique set of challenges, especially when scaling globally. Read how team optimization coaching helped one of the world’s largest technology leaders to improve alignment, trust, and relationships for heightened performance.
