

Talent Insights - July 2024

The latest on high-impact, high-quality coaching, leadership acceleration, and outplacement and internal mobility

A Message from our President and CEO

Greetings!

With the ever-changing business landscape presenting new and time-tested challenges, resilient leadership is a topic that we certainly keep hearing about from our clients. And we couldn't be more excited to share our newest piece of research with you on the topic: our white

paper, *The Executive's Guide to Resilience*.

This comprehensive resource provides valuable insights and strategies for building resilient leadership for leaders like yourself. It includes a step-by-step guide on how to implement a resilience-building coaching culture, success stories of resilient leadership, the role of coaching in building resilience, and so much more.

As always, if you'd like to explore more on the topic we're here to help.

Igniting Bold Futures,

Susan Gallagher

Outplacement and Internal Mobility

For those in transition

Beyond Retirement

Finding Purpose in Your Legacy Phase

With increasing life expectancy, shifting financial markets, and a desire for continued personal and professional fulfillment, the concept of traditional retirement is becoming a thing of the past.

Many executives are leaning into the so-called 'legacy phase' to find joy and purpose in non-traditional post-career paths, whether that's through non-profit work, consulting, or starting an entirely new business.

Read our latest post to learn what retirement looks like for the high-performing professional who isn't quite ready to hang up their hat.
